

# Summer & Fall 2021 Enrollment

# Fall 2021 Campus Guidance

On January 7, Chancellor Blank and Provost Scholz wrote the campus community sharing their vision for Fall 2021:

“With a couple of vaccines now in use and others on the near horizon, we are planning for a **resumption of primarily in-person classes for fall semester 2021**... Moreover, while any changes to course modality are clearly disruptive, it is easier to pivot from in-person to remote than it is from remote to in-person.... We will of course adapt, as we have done in the past, if things do not go as planned.”
